

HARDCASE® PROFESSIONAL® PROJECTPLUS

HCHH41

For the most demanding tasks, look no further than the *Energizer® HARDCASE® PROFESSIONAL® PROJECTPLUS*. With tool-quality construction and advanced LED technology, this light is designed to meet even the most challenging jobs. Constructed with Professionals in mind, it withstands drop after drop, off a ladder or even a two story building. Featuring bright, uniform light with an extended beam distance, this light is built to provide a great combination of brightness and long runtime. The large push button switch and ergonomic handle allow for easy operation even with gloves, while adjustable light modes let the user decide the exact balance of brightness and runtime. In addition, this light is water resistant for user confidence even during extreme, outdoor tasks.
